Stellar Reviews for San Diego's Lakehouse Hotel & Resort

It's a singular honor—and it's been won by the Lakehouse Hotel & Resort, which is located on the shores of Lake San Marcos. The four-star, 142-room resort, part of the Eat.Drink.Sleep portfolio, has been named the No. 1 best reviewed hotel in the world on Expedia.com's Insider's Select 2014 list, an annual ranking based on millions of verified guest reviews. Lakehouse recently underwent a \$9 million property-wide renovation; its amenities include two saline pools, full-service event venues, sunset boat rides, paddle-boats, kayaks and a semi-private par-71 golf course. lakehousehotelandresort.com
